To achieve these three objectives, the budgets of the European Research Council, the Marie Skłodowska-Curie Actions, and the Research Infrastructures included in the pillar ‘Open Science’ of Horizon Europe must be increased and collaboration with fundamental research should be supported in all parts of the programme.
The Need to Support Excellent Fundamental Research

1. OECD Science, Technology and Industry Scoreboard 2017
3. ERC Project EXPAND (Defining the cellular dynamics leading to tissue expansion) 2014–2019, Cedric Blanpain, Université Libre de Bruxelles

September 2018

Science Europe is a non-profit organisation based in Brussels representing major Research Funding and Research Performing Organisations across Europe.

More information on its mission and activities is provided at www.scienceeurope.org.

To contact Science Europe, e-mail office@scienceeurope.org.
