## About the webinar series

Following the success of the first series of webinars, the initiative is continued in 2026 with three more webinars taking place between June and November:

- **26 June** – *Transforming research assessment systems: criteria, quality, and societal impact*
- **18 September** – *Financial Management of research projects: from grant application to successful implementation*
- **27 November** – *Risk management in research funding: approaches, tools, and international practices*

All webinars are scheduled to take place from 10.00–11.30 CEST (11.00–12.30 EET)
