

Marc Schiltz

Science Europe President

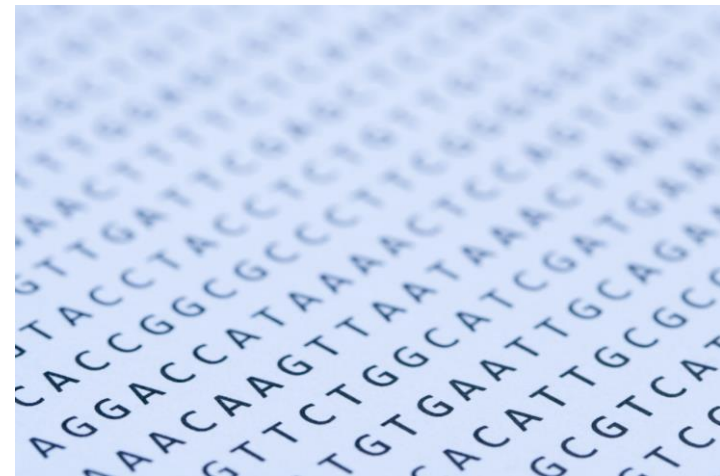

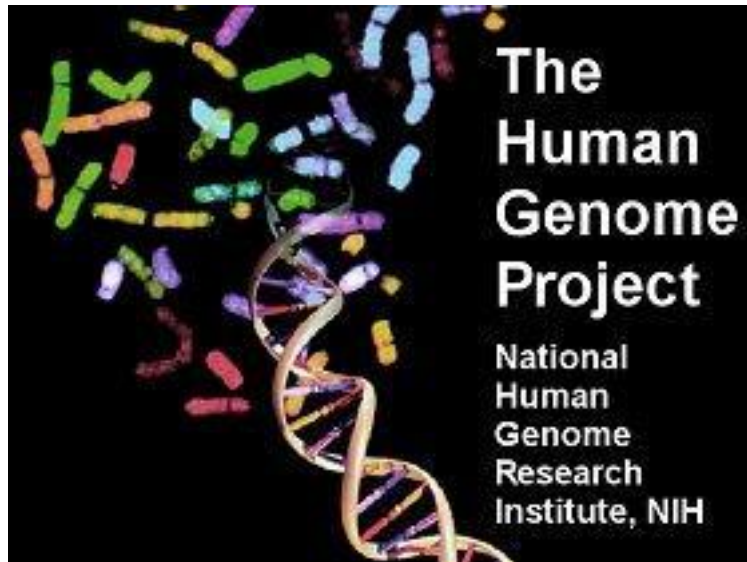

Successful Missions

► The Manhattan Project (1942-45)

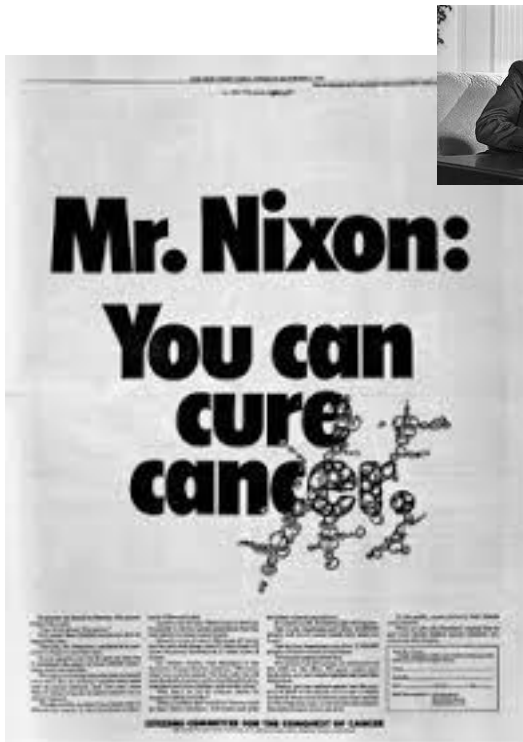

Successful Missions

- ▶ The Human Genome Project (1990-2003)

(Un)successful Missions ?

- ▶ The War on Cancer (1971-) & Cancer Moonshot (2009-)

Missions : Appetizer questions

- ▶ Societal missions vs Science missions : raising false hopes ?
- ▶ Who defines the missions ?
- ▶ How is the success of a mission defined ?
- ▶ Positive spill-over effects of missions (even if they are unsuccessful)
- ▶ Missions in Horizon Europe ? What about JPI ?
